Good reasons to get your pet fixed

- Your pet will be healthier and live longer -
- No more puppies or kittens running around causing a nuisance -
- There will be fewer dog packs roaming your neighborhood bothering you -
- Your male dog or cat won't be marking all around your house or yard making it smell -
- Your pets won't roam around looking for a mate -
- Getting your pet fixed will **NOT** make it fat or lazy -
- Your pets will be better behaved -
- Spaying and neutering your pet is good for the Community -
